

2007 Brocks Reef Shiraz

The Region

The Mount Benson Wine Region is a recently defined viticultural area situated 300km south of Adelaide on the Limestone Coast. Its key attributes for producing distinctive quality fruit include an abundance of underground water, *terra rossa* soil over free-draining limestone and a cool maritime climate. The region is renowned for producing elegant and complex wines.

Vintage

The 2007 vintage was warm and dry in Mount Benson, for which all the fruit for this wine was sourced. A low-yielding vintage lead to exceptional intensity of flavour across both these red varieties.
